

Theme – Land Formations / Volcanoes

During our study on land formations and volcanoes, keiki were introduced to the mele (song) “5 Mauna”.

Kumu joined together to add motions to support keiki’s learning.

Incorporating this mele into our study supported keiki’s development and understanding of land features on Hawai’i island. This also supported keiki in building pilina with their island, moku and specific ahupua’a.

Motions – Nā Kula Kamali'i o Kamehameha ma Kohala

There are five mauna on Hawai'i island
Five Mauna on Hawai'i island
Five mauna on Hawai'i island now.

Let's count the mauna on Hawai'i island
Count the mauna on Hawai'i island
Count the mauna on Hawai'i island now.

There's 1 mauna,
2 mauna,
3 mauna,
4 mauna,
5 mauna on Hawai'i island now

Let's name the mauna on Hawai'i island
Name the mauna on Hawai'i island
Name the mauna on Hawai'i island now

There's Mauna Kea,
Mauna Loa,
Hualālai,
Kohala,
Kīlauea
5 mauna on Hawai'i island now
5 mauna on Hawai'i island now
