

## *Is Early Childhood your passion?*

If you are in the early childhood workforce or are a high school student on Hawai'i Island, the Early Learning Career Pathway Project is offering **free** training for a **limited time only!** **These courses can help you meet the Child Development Associate (CDA) credential training requirements.**

### *ECED 105 Introduction to Early Childhood:*

(April 4 - May 5, 2023)

### *ECED 110 Developmentally Appropriate Practices:*

(June 5 - July 31, 2023)

Both courses are delivered through Hawai'i Community College's outreach program. Each course is an online class that is delivered at night 2 times a week for 8 weeks.

**Register Now** on the links below and the Early Learning Career Pathway Coordinator will contact you with more details, including **support to earn your CDA.**
